

My life as a SNOWFLAKE

Write a story and illustrate with pictures, (or draw out a story board or carton strip) all about your life as a snowflake.

Use your imagination and what you have learnt about solids, liquids and gases.

Try and use all of the following words in your story:

Condensing	Solid,
Vapour	Liquid
Ice	Gas
Water,	Melting
Contracting	Freezing
Expanding	Cold
Stream	Puddle
River	Hot
Ocean	Evaporating
